

YOUR MOST VALUABLE ASSET IS YOUR EMPLOYEES

SMART AFFORDABLE SOLUTIONS FOR SMALL AND MID-SIZE BUSINESS

As HR professionals we understand that time is a precious resource. The on-going struggles of creating and maintaining the policies, processes and systems for successful delivery and compliance of HR services can consume most of our valuable time leaving insufficient time to apply our expertise towards our most valuable asset –our employees.

My HR Tech is a smart affordable solution that helps you gain control of your time. Our all inclusive package offers technical experts and technology that is easy to implement and easy to use. Some of the services include:

- Compliance Management
- Human Resource Data Management
- Payroll Management
- On-line Benefits Communications
- Unemployment Compensation Management
- OSHA Administration
